

JOEL DEVEREUX

SPECIALTY RATES 2022

I am available to be hired for a range of shoots. The following packages outline my current special photography rates and inclusions. I charge per finished image as opposed to shoot time (with the exception of photographing events), and custom quotes are available at request by contacting hello@joeldevereux.com

Photo shoots are typically 1 to 2 hours in duration, and 50% deposit is required upfront to secure your session, and the remainder is due before delivery of images. Cash, bank deposits, and card payments are accepted. You will be invoiced digitally before the shoot date. Payment plans are available upon discussion. You will be emailed a contact sheet with low-resolution previews after your shoot to make your image selection for editing all packages except events.

Gift vouchers for any amount over \$100AUD are available upon enquiry. Rates & terms are subject to change at any time without notice. All shoot prices are listed in Australian dollars.
